200 x 600cm	6'6" x 20'

Max width available: 200cm

Max length available: 400cm

For any other width or length required that does not exceed 200cm wide and/or 400cm long, please take your required size in inches and multiply by 2.54 to give the metric (cm) size required to place your order. For any other size required, please contact us for a quote.

Coir Logomats are supplied borderless to be loose laid or to fit into a mat well. For mat wells, we recommend you add an additional 10% to your measurements to allow for 'cutting in' on site.. All mats have a manufacturing tolerance of $\pm 3\%$. Please allow for this when measuring to fit a specific area.
