Widths available: 100cm/200cm

Max width available: 200cm

Max length available: 12m

Widths of less than 100 or 200cm may be ordered (but this will be priced as a cut length from the nearest width)

For any other length required that does not exceed 12m (approx 40'), please take your required size in inches and multiply by 2.54 to give the metric (cm) size required to place your order.

Coir made to measure mats are supplied borderless to be loose laid or to fit into a mat well. For mat wells, we recommend you add an additional 10% to your measurements to allow for 'cutting in' on site.. All mats have a manufacturing tolerance of ±3%. Please allow for this when measuring to fit a specific area.
