**Max width available: 150cm**

**Max length available: 600cm**

For any other sizes that do not exceed 150cm (5') wide and/or 600cm (20') long, please take your required size in inches and multiply by 2.54 to give the metric (cm) size required to place your order.

**Note:** all measurements include a 2cm rubber border. All mats have a manufacturing tolerance of  $\pm 3\%$ . Please allow for this when measuring to fit a specific area.
