Max width available: 200cm

Max length available: 20m

Widths of less than 200cm may be ordered (but this will be priced as 200cm).

For any other length required that does not exceed 20m (approx 65'), please take your required size in inches and multiply by 2.54 to give the metric (cm) size required to place your order.

Ribber mats are supplied borderless. All mats have a manufacturing tolerance of $\pm 3\%$. Please allow for this when measuring to fit a specific area.
